

Bath City Supporters Club AGM 2026

Election to the Committee

Candidate Statements

Ashley Davis

Since being elected to the Committee 6 years ago, I have primarily been responsible for: running of the Supporters Club's social media accounts, updating and maintaining our website, and being Membership Secretary for the last couple of years.

Along with my role in the Supporters Club, I attend almost every City home game, and until recently upon the arrival of my baby daughter, was a regular traveller on the away coaches. I also sell programmes and draw tickets in the bar and help in the tea bar when required.

I have enjoyed serving on the Committee for the last six years and hope to be able to continue to do so through this election.

I've been a Bath City supporter since I was nine, and the club has been a constant thread through my life ever since. As a teenager I started out selling raffle tickets on matchdays, helped put matchday programmes together and somewhere along the way I even met my husband on the terraces – proof that Twerton Park really is the heart of the city.

Both of our daughters grew up watching City, and now our youngest has taken things even further by pulling on the shirt herself and playing for the Ladies team. Supporting Bath City isn't just something I do; it's part of who our family is.

Alan Every

I am seeking re-election to the Supporters Club committee after having served as Secretary for the last two years

I've been watching Bath City since moving here in the 96/97 season, with early favourites Mike Davis and Jon Holloway, and my favourite game being both Dover FA Trophy matches.

I've volunteered as a matchday draw seller for the last 12 seasons (if you include COVID) and would like to help the committee continue the good work of the previous years.

Chris Leadbeater

Football has been a passion since I was knee high, I lacked the talent to play at any decent level but never stepped away from the sidelines.

Over the last two seasons I've volunteered at the club, after years of talking myself out of it and thoroughly enjoy being involved in such an historic and well-regarded football club. I've built successful career across several sectors working in operational planning, customer experience, stakeholder management and now in protecting and generating revenue for the businesses in which I work.

As we are a community owned club, I'd like the opportunity to bring the skills and experience I have gained to help the Supporters Club.

Shane Morgan

I wish to continue to serve the Supporters' Club on its Committee.

I run the Supporters' Club tea bar which raises much needed funds for the football club as well as offering value for money catering for the supporters.

I produce the notes for the Supporters' Club page in the matchday programme.

As well as serving on the Supporters' Club Committee I am also currently the football club's Operations Director

Leon Webb

I would like to be re-elected to the Supporters Club committee as I have already been on it for the past 8 years.

My main role is arranging the Supporters Club Match Day Draw, by organising ticket sellers, doing the draw and making sure everyone gets the winning ticket numbers.

My other roles are putting up the posters for the away coaches and covering in the Supporters Club HQ when required.

I have also been sponsoring Bladud the Pig for 12 seasons
